DIOCESE OF ST ASAPH

The recipient of the 2026 Diocesan Offering will be Boxes of Sunshine, a charity dedicated to bringing joy and comfort to young people living with chronic illnesses or lasting health conditions. Boxes of Sunshine sends carefully curated gift boxes—each filled with 11 thoughtful items—to young people aged 11–16 who are facing the challenges of chronic illness, disability, or conditions that prevent them from living a normal life. Every box is designed to lift spirits, remind recipients they are not forgotten, and show that many people care.

Founded in memory of Kirsten, a vibrant young girl who faced her own health battles, Boxes of Sunshine was created to spread a little happiness to others in similar situations. Each item in the box is inspired by Kirsten's interests and the things that brought her comfort—such as card games, sunflower seeds, sweets, and small treats.

The charity's mission is to bring a smile and a sense of hope to young people who need it most.

## How Boxes of Sunshine makes a difference:

- **Bringing joy:** Each box is a surprise, filled with gifts chosen to brighten a young person's day.
- **Personal touch:** Boxes are sent to nominated young people, ensuring support reaches those who need it most.
- **Community support:** The charity relies on donations and sponsorships to send out more boxes and reach more children.
